

## MINUTES OF THE NORTH HERO RECREATION COMMITTEE

August 8, 2009, Camp Ingalls

Present: Louise Guyette, Danielle Kinney, Mary Jo McCarthy, Ethan Pearson, Chip Porter

Absent: Stephen Ludwig, Mary Jo McCarthy, Ethan Pearson, Chip Porter, (one vacant position)

1. The minutes of the July 11, 2009, meeting were approved.
2. The Board received a \$59.10 credit from Kershner Signs.
3. The fan has been installed. Many thanks to Karl Raake and especially to Wayne Cormier.
4. The water bars for the Pelots trails and the board walks were completed. Ethan and Chip had a crew from YMCA Camp Abnaki.
5. The Board approved the application from the NHVFD Auxiliary for 2010. An application from Katya Wilcox was also approved for the possible use of the Long House in August for yoga. It was agreed that no charge would be required, although Katya had offered to make a donation if she actually used the building.
6. A general discussion of fees took place. It was decided to review them in the fall.
7. Louise Guyette suggested that we should hold a fall gathering, perhaps a BBQ or pot luck for North Hero Students and families in September. We will schedule it at our September Meeting.
8. We also discussed having a winter activity day with snow shoes, skiing, and have a fire in the Long House fireplace. We could also serve cocoa.
9. Danielle reported on the success of yoga and pilates. We decided to continue funding it, although we might ask the neighboring Rec Committees to contribute if their numbers warrant it. It was anticipated that we would have four sessions before next summer.
10. Danielle also proposed an events calendar. It would include Rec Committee activities as well as town, schools, fire department, arts and Historical Society events. She will work on it.
11. Chip suggested that we install exit signs and an emergency light for the doorways. He will try to get a price for consideration.
12. We agreed to return to second Monday of the month meetings at 7 p.m. instead of Saturdays.
13. The Board adjourned the meeting at 9:40.
