

MINUTES OF THE NORTH HERO RECREATION COMMITTEE

January 5, 2010, Town Offices

Present: Danielle Kinney, Ethan Pearson, Chip Porter

Absent: Louise Guillette, Stephen Ludwig, Mary Jo McCarthy

1. The Board voted to approve and pay the following bills: no bills were pending
2. The current expenditures were discussed. About \$1500 remains, although we should be receiving approximately \$1500 from the Whip Program reimbursement.
3. The trash on Pelots was discussed. The trash on top of the hill should be removed but we will wait until spring. The large trash by the railroad track should be dragged up to the rail bed while the ground is frozen. Chip will check with Danny Williams to see if he still is able to use his skidder. Otherwise we should find someone with a winch and cable.
4. Hunting down the kayaks from ten years ago hasn't been successful since no one knows much about them.
5. Activity program were discussed including more yoga classes and ski programs.
6. The sponsorship of the Island Art art classes was discussed. Chip will contact Peggy Rainville.
7. Great Ice is coming up and the Committee will be involved.
8. The Board adjourned the meeting at 8:30.
