Present: David Jacobs, Pete Johnson, Marie Kilbride, Kate Kinney, Richard Mitchell, Joe Wilusz

1. The Board voted to approve the minutes of the last meeting.
2. We first re-identified the specific areas of the bylaws that we wanted to work on this summer and discussed in terms of big jobs and easy jobs. We then assigned various pieces for everyone to work on for next meeting. The easy list is divided up and assigned to individuals to study and bring back info to next meeting and will be addressed a couple at a time all summer. The big list was divided up between two committees.
3. The Board adjourned the meeting.
