

MINUTES OF THE NORTH HERO RECREATION COMMITTEE

January 3, 2012, Town Offices

Present: Ethan Pearson, Chip Porter

Absent: Louise Guillette, Stephen Ludwig, Mary Jo McCarthy

1. Ethan provided a copy of the Town Report.
2. We discussed and approved the expenditure of \$100 to \$150 for the Kid's Great Ice Fishing Derby.
3. We discussed signage. Chip said he would refurbish the wooden Pelot Rec sign and finish the one for Ingalls. The interpretive trail signs for both areas need to be replaced with numbered posts and a paper trail guide. Some at Pelots seem to have been vandalized, but they are all in rough shape. The Hunting/ Firearms signs at Ingalls related to Butternut Hill will cost about \$ 150. The Rec Committee should work with the Nature Conservancy to set up interpretive signs. Chip will contact them. These might be another \$300 to \$400 dollars.
4. Chip has almost finished replacing the back steps at Ingalls.
5. Ethan has a new email address; epraptr@yahoo.com
