Maintenance Repair Policy**

The North Hero Water Department has developed this policy to protect the North Hero Water System and comply with State and Federal Requirements.

Water Department repair responsibility:

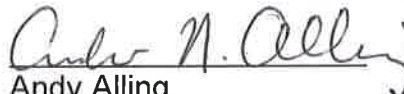

- Leaks associated with the main water line;
- Leaks associated with curb stops, blow-offs & flushing valves;
- Return of the disturbed area to level.

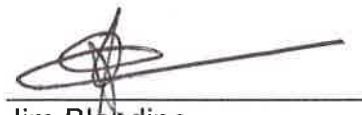

Private Line Owner's responsibility:

- Any repair not specifically listed above;
- To restore any disturbance of top soil or any objects removed to access repairs;
- To restore any walls, fences, flower gardens or similar type landscaping that is disturbed during repair.

Adopted by the North Hero Water Board, April 9, 2018.
